**In the works..** ★★★★★

In our effort to keep customers happy and be the top in our field, we'll soon be sending out a **Customer Survey** where you can rate/review your experiences with us. We take your feedback seriously! Please participate. Thank you!  
**Keep an Eye Out for it.**

**COOL FACT:**

If your A/C unit is over 12 years old, replacing it with an *Energy Star* certified model could cut your cooling costs up to 30%.

**HUGE \$SAVINGS\$ THIS YEAR!**

The majority of our customers are patting themselves on the back for taking advantage of price protected plans that we offered this heating season. **These customers paid as little as \$2.189 per gallon** all winter and what's even better is that they are still saving big!

We're patting ourselves on the back for another year of nailing it! This was our 26th year offering pre-buy oil so we know what we're doing !

**Price protected plans offered between June & Nov**  
**Capped Budget: June-July Pre-Buy Oil: Aug -Sept**  
**Winter Cap: Oct-Nov**

**Did you know... If you have a furnace it's much cheaper to install central A/C because your ductwork is already in place?**
